**The following questions, and our responses, received as of 4/20/2023, shall be made a part of the procurement file:**

Response: Section C.2.a should only reference 1.B.i 1-8

Question: Page 37 Attachment C seems to be missing information. Would it be possible to provide an example of a self-assessment questionnaire? To confirm, this is not required to submit a proposal?

Response: Delete Attachment C in its entirety.

Question: Can we finalize the legal terms and contract with a subcontractor after the RFP proposal is accepted?

Response: An award will need to be made before any agreements are executed.
