

# Help your child continue their education while receiving patient care

## WHO WE ARE

We believe that a child's educational opportunities can continue throughout patient care and as experienced educators licensed through the New Mexico Public Education Department we can offer activities to continue the learning process.

## SPECIAL THANKS

This program is made possible through philanthropic dollars. We would like to thank the Credit Union Association of New Mexico for helping fund this program on behalf of our community.

## WHAT WE OFFER

Students can participate several ways in UNM Mimbres School at UNMH.

- Attend learning activities in the UNM Mimbres School Classroom, located on the 6th Floor Child Life area.
- Have educational activities brought to the hospital room.
- Have teachers contact the student's school to request student assignments.
- Have teachers communicate with the student's school regarding attendance or transition planning after hospitalization.
- Guidance with Special Education questions
